THE CAMPAIGN IN
MESOPOTAMIA
1914–18.

VOLUME I.

Based on Official Documents, compiled at the request of the Government of India, under the direction of the Historical Section of the Committee of Imperial Defence.

By Brig.-Gen. F. J. MOBERLY, C.B., C.S.I., D.S.O., p.s.c.

This first volume of the official narrative of the compaign of 1914–18 in Mesopotamia deals with the successful operations in that country up to and including the capture and occupation by the British of Kut-al-Amara in October, 1915. Commencing with chapters describing the physical and political conditions of the country and a brief account of the organisation and circumstances of the Army in India—which supplied the military forces employed—the narrative deals not only with the operations, but also with the policy which dictated them and the reasons which influenced the different commanders.

THE MONTHLY ARMY LIST

FOR

SEPTEMBER, 1924.

NOTICES.

Under the provisions of the Army Act, 1881, Section 163D, this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List and the Half-Yearly List and their Supplements, is authorised by the War Office.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists, except in the Colonels, List where Brevet Colonels are so indicated.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, *e.g.* (2), after his name; a number enclosed in square brackets, *e.g.* [2], denotes that the officer is *attached* and not posted.

Communications from Officers of the Militia and Territorial Army regarding the entry in this publication (*a*) of letters denoting military qualifications, and (*b*) of the symbol ⚔ denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors, or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,
The War Office,
London, S.W.1.
Army List.

Officers who succeed to peerages, baronetcies, or courtesy titles are responsible for immediately notifying the same to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army List and in the official records of the War Office.
